

# Zedua Experiments

**Title:** Butterfly Pocket Pal

## **Materials Required:**

1. Quick Dry Tacky Glue
2. Wood pieces, assorted sizes and shapes
3. Paper punches: 1/8", 3/16", 1/4"
4. Black marker
5. Acrylic paint
6. Embroidery floss (to hang flower)
7. Wire
8. Craft sticks
9. Craft foam
10. 1/4" flat brush

## **Procedure:**

1. Glue the wood pieces together. Glue the tip of craft stick to back of the figure, make sure there is space enough to insert into a pocket. Let it dry.
2. Using 1/4" brush, paint with any acrylic paint colors as desired on the butterfly, paint stick green. Let it dry.
3. Glue all trims into appropriate place.
4. Take wire and bend it like antennae and insert into the top of butterfly.
5. Take craft foam for trim, flower, leaf and body, and embroidery floss to hang.
6. Dot eyes using black marker.
