Title: Cat Bottle Bank

Recycle an old water bottle into a beautiful bottle bank. Teach kids the importance of recycling and also saving..

Materials Required:

1. Quick Dry Tacky Glue
2. Chalk pencil
3. Pom poms: 1" grey, 1/2" black
4. Clear plastic 1 liter bottle
5. Wood ball, 2-1/2" diameter for cat head
6. Grey felt
7. Craft knife
8. Ribbon
9. 1/2" flat brush
10. Pattern

Procedure:

1. Cut a small slot of ¼ inch x 1 1/2inch at back edge of plastic bottle.
2. 2. Paint grey on the wood ball with 1/2" flat brush. This will be cat's head. Let it dry.
3. Draw cat eyes, moustache and attach ears.
4. Glue the head to the top of the bottle and let it dry.
5. Glue on the ribbon trim. Let it dry.
